Recruiting: - Cheryl Wilson

I do not have any useful information to print for a committee report for **recruiting**. While I'm am prepared to send out emails to all Athletic Directors and Members in light of the current uncertainty I did not. I have made contact with Stephanie Carrington of the NY Elite Club who is willing to help us recruit from her coaches and parents. To date, it seems the best recruiting method is word of mouth from our members themselves.

In the area of **mentoring**, I have a list of 6 members who have asked someone to be their mentor and 2 who would like to have a mentor. If there are any members who would like to work up guidelines for a mentorship program. I would welcome the input.

Education: - Vince Bitonte

Members have asked to be invited to a scoring class during a Zoom meeting with new candidates. Once date of scoring class is scheduled, I will let members know. Wayne Vetro will be conducting that session. The 2019 NYS manual has scoring examples.

Clinic - Classes began August 13. 8 new candidates are in the class. Additionally, several members have asked to attend.

Website: Lynn Fielitz

Working on email for MHBVO officers and credit card of dues payment
